. . . to cherish your home

Welcome to Tableau, we have created a wide variety of specialist household cleaners and polishes to enable you to cherish your home.

Our products are used within some of the most prestigious homes and properties in the UK. As a family business we take great pride in our work and strive to provide high quality products and maintain our excellent reputation.

For many of our lines, we have taken traditional formulations and then improved them using modern technology. This ensures classic results, but by easier, faster and more economical methods.

Cabinet Furniture Care

Scratch Cover 100ml

In response to popular demand we have created Tableau Scratch Cover. A must have product for any home, it quickly covers chips, scratches and other cosmetic defects in wooden surfaces.

This easy to use formula can restore your wood in an instant. There are three colours to choose from: light, medium and dark.

Simply select the most appropriate shade of Tableau Scratch Cover for your wood and if you are unsure of which to use, try the lightest shade first and test on an inconspicuous area for colour suitability. For a darker shade, simply repeat the process.

For a beautiful finish, apply Tableau Wax Polish after using Tableau Scratch Cover.

Dark and Light Wax Furniture Polishes 5litre, 500ml, 100ml

These are easy to use soft, wax polishes which contain beeswax and carnauba wax.

The light wax is a clear polish ideal for both light and dark woods, while the dark wax contains a stain suitable for dark woods.

- Feeds, nourishes and adds shine
- Highlights the natural finish in wood
- Maintains and builds a natural sheen

They are both silicone free and resistant to finger marking. Give your wood a treat!

...to cherish your home 2

Lavender Wax 150ml

This traditional lavender wax product is well known for its superb ability to care for and protect the natural beauty of your wood. Its special formula is a high quality, silicone free blend of waxes and is suitable for all woods.

Tableau Lavender Wax contains lavender essential oil, which means that you can enjoy the fresh summer scent of lavender as you care for your wood furniture. It buffs easily to give a long lasting shine and will help to provide protection from finger marks, staining and the drying effects of central heating.

Cabinet Furniture Care

If you want to keep your wood in tip-top condition, you need to replenish and revive its grain...

Wax Free Polish

250ml

A wax and silicone free spray polish for use on sealed wood furniture. Removes finger marks and dulling film to leave a rich, lasting shine. It also has a special anti-static agent that helps to reduce surface dust.

Liquid Wood Care

250ml

This is a one step furniture restorer that cleans and feeds all unsealed natural wood furniture. Its refined oils enrich and permeate the grain, restoring your wood's natural character and colour. To add shine use Tableau Light, Dark or Lavender Wax.

Furniture and Kitchen Worktop Oil

250ml

An oil which provides an effective water repellent, matt sheen finish to unsealed wood. Its oil based formula penetrates the surface and replenishes the natural oils in the grain, without darkening the wood. It is food safe and therefore suitable for wooden kitchen worktops and butchers blocks.

Wax Polish Aerosol

250ml

A silicone free, convenient spray wax, which is a blend of carnauba wax and beeswax that has been specially formulated to penetrate and nourish all wood. It will enhance the patina of your most cherished furniture.

Furniture Cream

200ml

Tableau Furniture Cream is an easy to apply soft cream polish which will feed, nourish and polish your wooden furniture. This effective formula contains natural beeswax and carnauba wax, and it is silicone free and resistant to finger-marking.

Available in 2011

Ring Remover

This product is essential for any home with wooden furniture. If a glass or cup should leave a ring, you no longer need to worry. Simply apply Tableau Ring Remover and it will effectively remove the mark. After use, to refinish your wood, use a Tableau Wax.

Matt Furniture Polish

200ml

A blend of wax and oils which removes finger marks and any dulling film from both sealed and unsealed matt finish furniture. This silicone free polish is suitable for most woods including pine, oak and teak. It penetrates, feeds and protects the natural grain on unsealed wood.

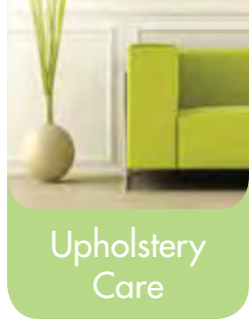

Fine Polishing cloth

Woven in a traditional Lancashire mill, this 100% cotton cloth may be used simply as a good quality duster or to apply Tableau Polishes for a lasting shine.

Upholstery Care

Upholstery needs to be regularly maintained in order to keep it looking its best. With Tableau you can clean and protect your carpets, curtains, fabrics, clothes and upholstery...

Fabric Protector 400ml

Tableau Fabric Protector effectively prevents oil and water based stains occurring on upholstery, curtains, carpets, suedes and other fabrics if used regularly, and it reduces the dry soiling of fabric. Once treated, any spill liquids will bead on the surface so that you can wipe them away before penetration and staining, making cleaning up so much easier.

Foam Fabric Cleaner 400ml

This is a fast acting foam for cleaning carpet and upholstery that is also suitable for cleaning other fabrics, vinyl and curtains. Its simple spray on, wipe off formula is gentle but effective. For particularly stubborn marks, use Stain Remover or Spot Remover (not suitable for vinyl).

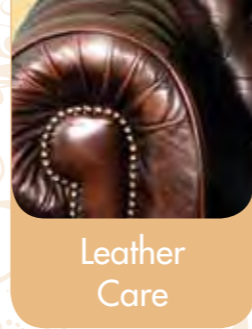

Stain Remover 200ml

Stain Remover removes most oil, grease, candle wax, chewing gum, crayon and grease based food marks from: fabrics and upholstery, carpets, curtains, clothing, boats, cars and caravans. Simply spray the stain and rinse (not suitable for leather).

Spot Remover 200ml

A dry cleaner in a can, this product is a no-rinse, no-rinse spray to remove oil stains, food splashes, make-up, motor oil and other greasy stains from carpets, curtains, clothing, upholstery, teak boat decks and teak garden furniture. Simply spray on, allow to dry and brush off!

Leather Care

If you love leather then you will love our leather care range. There is a product to meet all of your leather needs, from cleansing cleaners to nourishing creams.

Leather Cleaner 500ml

With its fast acting formula, our leather cleaner contains lanolin so that it cleans and moisturises all at the same time.

Foam Leather Cleaner 250ml

This easy to use foam formula allows you to quickly lift dirt and grime from your leather, simply spray on and wipe off.

Ink Remover for Leather 5g

Have you got an ink or lipstick stain on your leather? Don't worry, this effective little product will remove it for you.

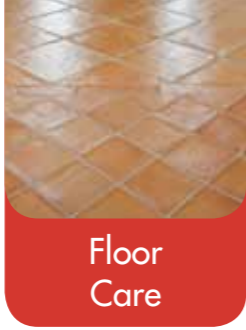

Leather Cream 200ml

This essential product should be a regular part of your leather care regime. With natural lanolin and waxes it feeds, protects and preserves all leather finishes, leaving a soft lustre finish.

Water Repellent 400ml

Tableau Water Repellent spray instantly protects items such as tents, awnings, clothing, footwear and many other fabric or leather items from rain or water by creating a water resistant layer.

Black Grate Polish 100ml

Restore your fire grate, wood burning stove or cast iron item. It is quick and easy to apply, covers rust, minor blemishes and scratches, restores lustre and will not chip, flake or peel.

Crystal and Glass Care

Chandelier Cleaner 500ml

Tableau Chandelier Cleaner is suitable for cleaning traditional chandeliers and more contemporary metal and glass light fittings, quickly and easily. Chandelier cleaning used to require the tedious task of unhooking, cleaning and replacing every individual piece of crystal. More modern fittings cannot be unhooked. We have designed a product to solve both these problems. Just spray your chandelier or modern metal and glass light fitting in situ with our special drip clean formula that leaves your light fittings streak-free and sparkling!

- Spray-on, drip-dry formula, instant results
- Cleans in situ, no need to dismantle
- Leaves a spotless and gleaming finish

Foam Glass Cleaner 400ml

Tableau Foam Glass Cleaner is an easy to use, smear-free effective cleaner for any glass or mirrored surface. The special foam formulation holds on vertical surfaces enabling cleaning agents to effectively remove stubborn marks. It is ideal for mirrors, windows and other glass surfaces, especially large areas, such as, patio doors and glass table tops. Due to its non-smear formula it is also the perfect solution for cleaning car windscreens.

- Streak and smear-free
- No residue
- Instant results
